SERVICES FOR RESEARCHERS

at the University of Würzburg

Let's team up to shape the future of research and teaching.

YOU
ARE MY
UNIVER@ITY

#helloUniWürzburg

WELCOME

TO JULIUS-MAXIMILIANS-UNIVERSITÄT WÜRZBURG!

More than 30,000 people conduct research, teach and learn at our University, driven by a shared commitment to delivering 'Science for Society'.

We are delighted that you have decided to join us!

We offer a range of services to ensure that you receive the support that you need to thrive in your role. These services are described in this leaflet. Do not hesitate to get in touch with the colleagues identified on the following pages. They will be happy to assist you.

We wish you every success in your new role at the University of Würzburg!

*Prof. Dr. Paul Pauli,
President*

*Prof. Dr. Caroline Kisker,
Vice-President for Research and Academic Career Development*

PRESS AND PUBLIC RELATIONS OFFICE

PROFILEHRE PROGRAMME FOR TEACHING STAFF

You are looking for some fresh inspiration for your teaching?

Our ProfileHre programme offers a wide range of practice-oriented workshops, talks and self-study courses that give you the opportunity to learn the fundamentals of teaching at higher education level, enhance your teaching skills or explore current trends in teaching (e.g. gamification, virtual reality and AI). In addition, we offer advice on teaching projects, teaching analysis polls and the opportunity to exchange experiences with your peers during our 'Lehrwerkstatt' workshops.

UNIVERSITY OF WÜRZBURG GRADUATE SCHOOLS

We are available to support you if you want to supervise doctoral researchers at one of our four research field-specific Graduate Schools:

- Life Sciences
- Science & Technology
- Humanities
- Law, Economics & Society

Cross-faculty, interdisciplinary and internationally-oriented institutions with a research focus, our Graduate Schools are leading the way in providing structured doctoral training.
